Mixing Indicators and Candlesticks to Trade

Required Class Materials:

- Text: Japanese Candlestick Charting Techniques – A Contemporary Guide to the Ancient Investment Techniques of the Far East
By Steve Nison
(THE BOOK IS NOT INCLUDED IN THE PRICE OF THE COURSE. you can order the book on Trading Street's website by going to the ["Store"](#) page)
- Computer with a fairly good graphics card (if you can see videos smoothly then it is good enough)
- A decent size monitor - at least 20 inches (50 cm) wide
- A fairly fast internet connection (1.5 megs or better, slower will still work but there may be a delay; 10 megs will work best)
- 1 set of headphones with a microphone (preferably something that you can easily mute and un-mute as well as adjust volume of both the microphone and the ear piece).
- Paper Notepad – for taking notes
